

【Mic6:8】 He has shown you, O man, what is good. What does Yahweh require of you, but to act justly, to love mercy, and to walk humbly with your God?

## *Give our loving support to India, Nepal, and Myanmar!*

Family members who are beloved by God and head to the sky, peace! As we all know, in the past three weeks, India's new crown epidemic has deteriorated sharply, medical care has collapsed, and the death toll has soared. The crematorium has been spinning around, the metal parts have been melted by high temperature, and the streets have been burned without firewood. It is like a hell on earth! In the unprecedented disaster situation, Christians, who only accounted for 2% to 3% of the Indian population, stepped forward and participated bravely in the work of fighting the epidemic and saving souls. However, many family members in the church also encountered death and hunger. Many missionaries, brothers and sisters were infected. Some were martyred on the field of ministry, and some of the remaining family members were even orphans. At present, the local church cannot help the victims outside!

【1Jn3:18】 *My little children, let's not love in word only, or with the tongue only, but in deed and truth.*

At the same time, Nepal, which is surrounded by India on its east, west, and south territories, has been deeply affected in the past two weeks. The epidemic has worsened. The pastors, brothers and sisters in the church are frequently infected. They love their neighbors but are not helpful. the power of!

Currently, the epidemic in Japan is also quite serious. However, Chinese Christians in Japan still pay attention to their neighbors and have the world in their hearts. Many churches and fellowships are helping India, such a rebellious and idol-worshipping country, to know the true God, get out of trouble, and earnestly prayer. Thank God, two weeks ago, a family in the Lord had already donated cash for India's fight against the epidemic. Immediately afterwards, the staff of JCC (Japan Chinese Christian Center) contacted 3 Indian churches and 1 Nepalese church, as well as several local Chinese missionaries through various channels. To understand their current situation, services and needs, and to implement a reliable way of how we will send to them if we donate money.

In addition, in Myanmar, the local churches after the coup d' é tat also encountered the same hunger and death; the people were not living, and they died in panic, covering Myanmar. Several of our brothers and sisters have done their dedication to the Myanmar church and have obtained reliable contact information with the local Chinese church in Myanmar.

For this reason, we are here to initiate a proposal for donating donations to the churches in India, Nepal and Myanmar, aiming to help the family members of the Lord who are in distress there, and at the same time help the church there, so that the church has spare capacity to help the people around it! May the great love of Christ, through the church, soften those unbelieving stone hearts, free from illusory hope, pass death into life, and obtain eternal life!

May the love of Christ inspire us to take the heart of Christ Jesus as our heart, weep with those who mourn, generously share the rich grace of God, and let the name of the Lord be exalted in a country full of idols, and may the Lord God be their God!

【2Co9:7】 Let each man give according as he has determined in his heart; not grudgingly, or under compulsion; for God loves a cheerful giver.

【Isa58:10】 and if you pour out your soul to the hungry, and satisfy the afflicted soul: then your light will rise in darkness, and your obscurity will be as the noonday;
